

MSTM JH/HS LIBRARY

OPEN 7:30 - 3:30 : 5 DAYS A WEEK

HOMEWORK HELP - HANGIN' WITH FRIENDS - READING - STUDYING FOR TESTS - WORKING ON THE PCS

The MSTM JH/HS Library is open 5 days a week from 7:30 - 3:30. It's not uncommon to see from 30 - 40 students in the library before school each day. Some are working on homework and some are just socializing with their friends. Whatever the reason, the library is the place to be. Throughout the day you'll find students not only coming in with their classes to check out books, but also to see what new books have been put out on the shelf.

The MSTM library staff is constantly collaborating with the JH/HS teachers to ensure that we have the needed materials to accommodate the student's needs. We also are currently updating our Professional Resource section in order to provide extra resources on hand for our teaching staff. We have many of the Iowa Teen Award winning books available for check out! Please see your librarian if you are interested!

Thanks!
Ms. Skellenger & Mrs. Gibson
